

Striker Gold

Ryegrass blend

(Southern)

Turf and lawns
Elite sports turf

Fast Germination
(5–7 days)

Very dark green colour

Good winter hardiness

**Fine-leaved density,
excellent mowability**

An elite blend of ryegrasses, specifically for Queensland, Striker Gold contains 3 of the best: Premier 3, Derby Xtreme and Barorlando ryegrasses. Backed up by independent ANTEP results Striker Gold is Australia's #1 sports ground ryegrass blend.

Specifically researched and formulated for oversowing high quality sports fields used for winter play, Striker Gold is the number one choice for quality, performance and playability.

Striker Gold is a significant improvement over previous commercial varieties of turf type perennial ryegrass and consistently rates high for turf quality, disease resistance, density, colour and mowability.

Composition

Species	%
Premier 3 ryegrass	40
Derby Xtreme ryegrass	40
Barorlando ryegrass	20

Key features

- Good disease resistance
- Fast germination (5–7 days)
- Fine-leaved, dense, with excellent mowability
- Very dark green colour

Key benefits

- Aggressive growth restricts poa annua
- High in endophyte for improved insect and disease resistance
- Good winter hardiness

"This is now my third season using Striker Gold seed blend to over sow Manuka Oval for the AFL season. As in previous years Striker Gold has impressed me again with its consistent colour and uniformity. This season we had fantastic germination and establishment rate, the best we have ever had. The surface was in perfect condition for our first AFL Premiership match of the season in early April about four weeks after seeding. The AFL gave the surface their tick of approval as per their inspection, along with positive feedback from players and coaching staff. This gives me the confidence to keep using Striker Gold."

Brad Van Dam
Head Curator, Manuka Oval
